

Criteria for the eligibility and team composition

- The selection rounds are open for all **current undergraduates** who follow **Chemistry/Industrial Chemistry honors degree or general degree** with **Chemistry as a subject** at University of Sri Jayewardenepura, Sri Lanka.
- All participants in the team must be registered students at University of Sri Jayewardenepura.
- Students who have completed their final year examination are not eligible to participate in the competition.
- Each team must be composed of **five (05) student members**.
- One student should only be allowed to participate in one team.
- The **selection rounds will be held from August 1st, 2022** in the form of an oral presentation evaluation, which will be announced later to the registered teams.
- A team should present their poster under one of the three (03) themes mentioned below at the selection rounds;
 - **Theme 1 – Chemistry for smart and sustainable agriculture**
 - **Theme 2 – Role of chemistry in alternative energy**
 - **Theme 3 – Chemistry in value addition to Sri Lankan natural resources**
- In addition, any student who has participated in the SLAAS poster competition in any of the previous years is not allowed to participate in this selection rounds.
