

**ONLINE EXAMINATIONS TIME TABLE - YEAR 2020****First Semester - First and Second Year (General / Honours Degree)****Second Semester Part I - Third Year (General / Honours Degree)**

| Day               | Time                      | Unit No.           | Description                                                      |
|-------------------|---------------------------|--------------------|------------------------------------------------------------------|
| 15/03/2021        | 09.00 - 11.00 am          | ARM 309 2.0        | Marine and Coastal Ecology                                       |
|                   | <b>09.00 - 11.00 am</b>   | <b>MAT 354 3.0</b> | <b>History of Mathematics</b>                                    |
| <b>Day 1</b>      | <b>09.00 - 11.00 am</b>   | <b>ZOO 349 2.0</b> | <b>Marine and Coastal Ecology</b>                                |
| Monday            | 10.00 - 10.40 am          | MBL 324 1.0        | Medical Microbiology                                             |
|                   | 10.00 - 10.40 am          | PBT 324 1.0        | Medical Biotechnology                                            |
|                   | 10.00 - 11.00 am          | PHY 310 1.0        | Space Physics                                                    |
|                   | <b>10.00 - 11.30 am</b>   | <b>SSM 351 2.0</b> | <b>Sports Sociology</b>                                          |
|                   | <b>10.00 - 12.00 noon</b> | <b>CHE 367 1.0</b> | <b>Advanced Coordination Chemistry</b>                           |
|                   | <b>10.00 - 12.00 noon</b> | <b>PCH 367 1.0</b> | <b>Polyurethane Chemistry and Technology</b>                     |
|                   | <b>10.30 - 11.00 am</b>   | <b>FST 152 1.0</b> | <b>Introduction to Computer Science</b>                          |
|                   | <b>10.30 - 11.00 am</b>   | <b>FST 155 1.0</b> | <b>Introduction to Computer Applications for Food Sciences</b>   |
|                   | 02.00 - 03.00 pm          | AMT 323 1.0        | Operational Research I                                           |
|                   | <b>03.00 - 04.15 pm</b>   | <b>EMF 369 1.0</b> | <b>Cleaner Production and Green Technology</b>                   |
|                   |                           |                    |                                                                  |
| <b>16/03/2021</b> | <b>09.00 - 09.30 am</b>   | <b>FST 183 1.0</b> | <b>Fundamentals of Microbiology</b>                              |
|                   | 09.00 - 10.30 am          | PBT 121 2.0        | Cell Biology and Fundamentals of Plant Biochemistry              |
| Day 2             | 09.00 - 11.00 am          | AMT 111 2.0        | Analytical Geometry                                              |
| Tuesday           | 09.00 - 11.00 am          | PHY 103 2.0        | Mechanics and Properties of Matter                               |
|                   | 10.00 - 11.00 am          | ARM 101 1.0        | Basic Limnology                                                  |
|                   | <b>10.00 - 11.30 am</b>   | <b>SSM 201 2.0</b> | <b>Human Nutrition</b>                                           |
|                   | 01.30 - 03.00 pm          | PBT 221 2.0        | Bioenergetics and Plant Metabolism                               |
|                   | 01.30 - 03.30 pm          | AMT 211 2.0        | Design and Analysis of Algorithms                                |
|                   | 01.30 - 03.30 pm          | ARM 201 2.0        | Principles in Aquaculture and Aquaculture Engineering            |
|                   | 02.00 - 04.00 pm          | PHY 201 2.0        | Optics I                                                         |
|                   | <b>03.00 - 03.30 pm</b>   | <b>FST 293 1.0</b> | <b>Food Science and Technology Practicals III</b>                |
|                   |                           |                    |                                                                  |
| <b>17/03/2021</b> | <b>09.00 - 09.40 am</b>   | <b>MBL 383 1.0</b> | <b>Microbial Biochemistry</b>                                    |
|                   | <b>09.00 - 09.40 am</b>   | <b>PBT 386 1.0</b> | <b>Advanced Microbial Genetics</b>                               |
| Day 3             | 10.00 - 10.30 am          | FSC 353 1.0        | Food Packaging                                                   |
| <b>Wednesday</b>  | <b>10.00 - 10.30 am</b>   | <b>FST 397 1.0</b> | <b>Food Packaging</b>                                            |
|                   | 10.00 - 11.00 am          | MAN 329 1.0        | Strategic Management                                             |
|                   | <b>10.00 - 11.30 am</b>   | <b>SSM 101 2.0</b> | <b>Introductory Biology</b>                                      |
|                   | <b>10.00 - 12.00 noon</b> | <b>CHE 377 1.0</b> | <b>Modern Chromatographic Techniques</b>                         |
|                   | 10.00 - 12.00 noon        | ICH 366 2.0        | Analytical Chemistry for Industry I - Chromatographic Techniques |
|                   | 10.00 - 12.00 noon        | STA 332 2.0        | Compilation of Official Statistics                               |
|                   | <b>02.00 - 03.00 pm</b>   | <b>FST 258 2.0</b> | <b>Marketing Management</b>                                      |
|                   | 02.00 - 03.00 pm          | ZOO 345 1.0        | Wildlife Management                                              |
|                   |                           |                    |                                                                  |
| 18/03/2021        | 09.00 - 11.00 am          | EES 101 2.0        | Micro-Electronics and Devices                                    |
|                   | 09.00 - 11.00 am          | MAN 102 2.0        | Principles of Micro Economics                                    |
| Day 4             | 09.00 - 11.00 am          | STA 113 2.0        | Descriptive Statistics                                           |
| Thursday          | 10.00 - 10.30 am          | FSC 111 1.0        | Principles of Management                                         |
|                   | <b>10.00 - 10.30 am</b>   | <b>FST 156 1.0</b> | <b>Principles of Management I</b>                                |
|                   | 10.00 - 11.30 am          | ICT 105 1.5        | Computer Architecture                                            |
|                   | <b>10.00 - 11.30 am</b>   | <b>SSM 385 2.0</b> | <b>Systems of Physics Education</b>                              |
|                   | 10.00 - 12.00 noon        | GMB 101 2.0        | Molecular Cell Biology                                           |
|                   | 01.30 - 03.30 pm          | MAN 201 2.0        | Introduction to Human Resource Management                        |
|                   | 02.00 - 04.00 pm          | GMB 201 2.0        | Techniques in Molecular Biology and Genetic Engineering          |

| Day           | Time                      | Unit No.           | Description                                                    |
|---------------|---------------------------|--------------------|----------------------------------------------------------------|
|               | 02.00 - 04.00 pm          | ICT 204 2.0        | Data Structures and Algorithms                                 |
|               | 02.00 - 04.00 pm          | STA 213 2.0        | Statistical Inference                                          |
|               | 02.30 - 03.00 pm          | FSC 203 1.0        | Applied Food Physics                                           |
|               | <b>02.30 - 03.00 pm</b>   | <b>FST 278 1.0</b> | <b>Applied Food Physics</b>                                    |
| 19/03/2021    | 09.00 - 10.00 am          | BIO 304 1.0        | Aquaculture                                                    |
|               | <b>09.00 - 11.00 am</b>   | <b>PHY 357 2.0</b> | <b>Geo Physics II</b>                                          |
| Day 5         | 09.00 - 11.00 am          | ZOO 322 2.0        | Aquaculture and Ornamental Fish Breeding                       |
| <b>Friday</b> | <b>10.00 - 10.40 am</b>   | <b>MBL 394 1.0</b> | <b>Application in Nanobiology</b>                              |
|               | <b>10.00 - 10.40 am</b>   | <b>PBT 394 1.0</b> | <b>Application in Nanobiology</b>                              |
|               | 10.00 - 11.00 am          | EMF 307 1.0        | Forest Management                                              |
|               | 10.00 - 11.00 am          | MAT 326 1.0        | Fluid Dynamics                                                 |
|               | 10.00 - 11.00 am          | PST 301 1.0        | Polymer Blends and Composites                                  |
|               | <b>10.00 - 11.00 am</b>   | <b>STA 313 1.0</b> | <b>Statistical Decision Theory</b>                             |
|               | 10.00 - 11.00 am          | MAT 323 1.0        | Optimization                                                   |
|               | <b>10.00 - 11.00 am</b>   | <b>CSC 387 1.0</b> | <b>Optimization</b>                                            |
|               | <b>10.00 - 11.30 am</b>   | <b>SSM 123 1.5</b> | <b>General Anatomy II</b>                                      |
|               | <b>10.00 - 11.30 am</b>   | <b>SSM 222 1.5</b> | <b>General Anatomy II</b>                                      |
|               | <b>02.00 - 02.30 pm</b>   | <b>FST 253 1.0</b> | <b>Statistics for Food Sciences I</b>                          |
|               | <b>02.00 - 02.30 pm</b>   | <b>FST 289 1.0</b> | <b>Pest Management of Food Crops</b>                           |
|               | 02.00 - 03.00 pm          | BIO 101 1.0        | Biology of the Cell                                            |
|               | 02.00 - 03.00 pm          | ZOO 128 1.0        | Cell Biology                                                   |
|               | <b>09.00 - 10.00 pm</b>   | <b>FST 285 2.0</b> | <b>Food Microbiology</b>                                       |
| 20/03/2021    | 09.00 - 09.30 am          | FSC 123 1.0        | Food Resources II                                              |
|               | 09.00 - 11.00 am          | MAT 111 2.0        | Fundamentals of logic and set theory                           |
| Day 6         | 09.00 - 11.00 am          | PST 101 2.0        | Introduction to Polymers                                       |
| Saturday      | 10.00 - 11.00 am          | EMF 101 1.0        | Ecological Principles                                          |
|               | <b>10.00 - 11.00 am</b>   | <b>SSM 384 2.0</b> | <b>Teaching and Coaching Practicals</b>                        |
|               | 10.00 - 11.00 am          | ZOO 117 1.0        | Histology                                                      |
|               | 01.30 - 03.30 pm          | MAT 212 2.0        | Real Analysis I                                                |
