

SEMINARS & WORKSHOPS ORGANISED / ACTED AS RESOURCE PERSON / PARTICIPATED

1. Seminar on Control Theory, Centre de Recherché de Mathematics, University of Montreal, Canada. (July,1983)
2. International Colloquium on Number Theory to Commemorate Ramanujan's Birth Centenary, Institute of Fundamental Studies, Hantana, Kandy, Sri Lanka. (December, 1987)
3. UNESCO Workshop on Teaching Mathematics and Science Using Computers, Royal Melbourne Institute of Technology, Melbourne, Australia. (November 15 - 24, 1989)
4. Workshop to formulate the Syllabus for the National Examination in Computer Studies, BMICH, Sri Lanka. (May 1990)
5. Seminar on Information Technology - The Need for Law Reforms, BMICH, Sri Lanka. (Sept., 1990)
6. Annual Sessions of the Australian Mathematical Society, Perth, Australia (July 6 - 10, 1992)
7. Numerical Solution of Nonlinear Algebraic Equations in the Absence of Derivative, School of Math & Statistics, Curtin University of Technology, Australia, September 1992.
8. Organized seminars on their postgraduate research when Mr. P Dias, Dr. Prasansa Kalukottege, Dr. Menaka Liyanage, Dr. B M S G Banneheka and Mr. E A T A Edirisuriya returned to the country after finishing their doctoral and Master's degrees in Australia, Japan, Canada, Canada and China respectively.
9. Attended Weekly Educational Mathematics seminar/ Dept. of Mathematics, Cornell University, USA (2004/05).
10. Shared relevant material I have produced such as articles to public newspapers and contributed to the discussion at the Workshop: "High level consultative dialog on Preventing Ragging and Sexual and Gender based Violence" organized by the University Grants Commission, Hotel Galadari, Colombo (April 21, 2016)
11. International Industrial Mathematics Conference – I, Fingara Town & Country Club and The University of Sri Jayewardenepura, (June 3rd -5th 2016)
12. Participated In numerous Mathematics and related talks, seminars and Colloquia held in USA as a doctoral student for 5 years & as a visiting professor for 2 years & in Australia as a visiting Scholar and in Sri Lanka.
