

PHYSICS UNBOUND

A Premier Undergraduate
Project Exhibition

2026

Department of Physics
UNIVERSITY OF SRI JAYWARDENEPURA

Introduction

Physics Unbound is the premier undergraduate research and innovation exhibition organized by the Department of Physics at the University of Sri Jayewardenepura. This event serves as a dynamic platform to showcase the exceptional technical expertise and creative problem-solving skills of our young physics honors students.

Driven by the theme of pushing boundaries, the showcase features a diverse array of student-led projects, ranging from cutting-edge electronics and IoT solutions to advanced material science and signal processing. Physics Unbound is more than just an exhibition; it is an intersection of academic excellence and real-world application, designed to inspire the next generation of scientists while fostering meaningful connections with industry leaders and the community.

We are organizing a dynamic and high-impact science exhibition designed to inspire innovation, education, and community engagement.

Date: July 16th, 2026

Venue: Department Premises

Time: 8:30 AM – 6:30 PM

The event will feature more than 30 exhibits showcasing cutting-edge concepts in physics, technology, and applied science.

- Day Sky Observation Camp <https://science.sjp.ac.lk/phy/physics-unbound-1-0/>
- WaterBottle Rocket demo
- Robotics Challenge
- Eye Clinic Camp
- Half-Life Crossword puzzel.

We Need Your Partnership

To make this vision a reality and keep the exhibition accessible to all, we are seeking financial support from visionary partners and sponsors. Your contribution will directly fund:

- Student Innovation: Development of undergraduate and postgraduate research exhibits.
- Hands-on Learning: Robotics projects, educational tools, and live sky observations.
- Community Impact: Hosting a public eye clinic and science outreach programs for schools.
- Technical Excellence: Maintenance and display of precision scientific instruments.
- Department Development: Upgrade the existing lecture halls and Laboratories for Studentcentered leaning facilities.

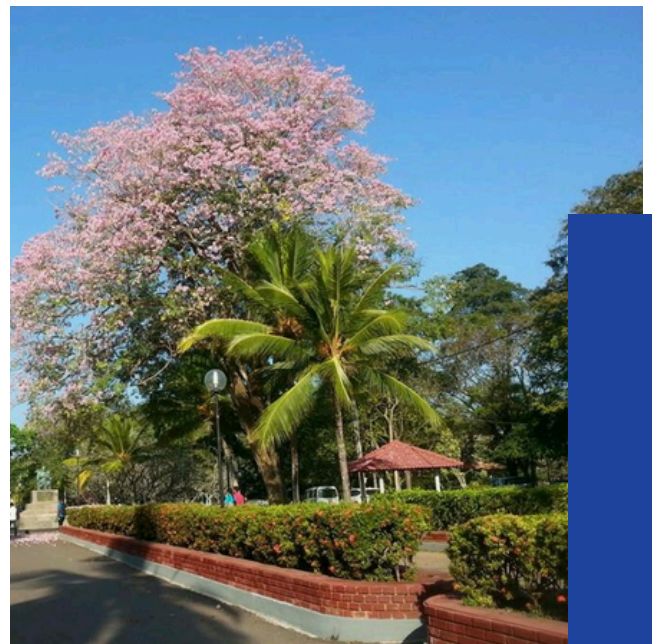

WHY US?

➔ Reasons to Be Part of the Exhibition

- Brand Visibility – Showcase your logo to thousands of students, academics, and visitors.
- Innovation Association – Be seen as a leader in STEM and cutting-edge research.
- Audience Engagement – Connect directly with future talent and key researchers.
- Media Exposure – Gain coverage across media, social channels, and university platforms.
- Networking Opportunities – Build partnerships with industry experts and academic leaders.
- CSR Impact – Support education and boost your positive societal reputation

➔ Institutional Excellence

Our vision is rooted in the academic prestige of the University of Sri Jayewardenepura and the Department of Physics. We aspire to set new standards in undergraduate innovation by bridging the gap between theoretical physics and functional, real-world applications. By showcasing elite undergraduate talent, we aim to make a positive impact on the scientific and technological landscape of the community.

Sponsorship Packages

Package	Investment	Benefits Highlights
Platinum	Rs. 200,000	<ul style="list-style-type: none"> • Two-minutes video at digital screen • Promotion of company as the Platinum sponsor in the department website • Display Company banners (05 Nos., provided by the sponsor) in the exhibition venue • Distribution of Company leaflets (provided by the sponsor) in the exhibition venue. • Company logo in exhibition backdrop
Gold	Rs. 100,000	<ul style="list-style-type: none"> • one-minutes video at the digital screen. • Promotion of company as the Gold sponsor in the department website • Display Company banners (02 Nos., provided by the sponsor) in the exhibition venue • Distribution of Company leaflets (provided by the sponsor) in the exhibition venue. • Company logo in exhibition backdrop
Silver	Rs. 50,000	<ul style="list-style-type: none"> • Promotion of company as the silver sponsor in the department website • Display Company banners (01 No., provided by the sponsor) in the exhibition venue • Distribution of Company leaflets (provided by the sponsor) in the exhibition venue. • Company logo in exhibition backdrop
Bronze	Rs. 30,000	<ul style="list-style-type: none"> • Promotion of company as the Bronze sponsor in the department website • Distribution of Company leaflets (provided by the sponsor) in the exhibition venue. • Company logo in exhibition backdrop
Complementary Sponsorships	Rs. 20,000	<ul style="list-style-type: none"> • one-minutes video at the digital screen.
